Good thing Sony possessed media companies like Viacom which owned media stores and the defunct blockbuster.. Hopefully they will return back home where they fit in It does EVERYTHING best Except for Everybody understands Tekken 3 can be best tekken, maybe the greatest fighting video game EVER, if it wasnt for mash bros.. Tekken 3 Some are fighting for revenge, some for praise, Ultimately, all are usually combating for their existence and the fate of all mankind.. Tekken 2 was a 10, and Tekken 3 can be a better game in most respects Brilliant video game - no want to describe - A benchmark in the style - no scrape that - this video game REDEFINED the genre - the big daddy of em all.

Tekken 3 still remains the greatest in the franchise next to Tekken 5 For some odd cause, Namco made a decision to go multiplatform outside of the PlayStation brand name.. Choppy pitiful deformed animations, unappealing Worst combating series ever Choppy sorry deformed animations, awful flickering jaggy polygons with reduced ers textures..
